INFORMATION DISCLOSURE STATEMENT

Sir:

This Information Disclosure Statement includes a copy of Form PTO-1449 that identifies two U.S. patents, two WIPO publications and a published European application. Copies of the WIPO publications and the European reference are attached as well. These references were cited in the International Search Report that is submitted concurrently with this application. The International Search Report identifies portions of the references that were considered to be relevant by the International Searching Authority and further identifies the claims to which the references are believed to be relevant.

The Examiner is requested to consider these references during the
